Well, let us give you a brief run-down of the story because there are a lot of things going on in this comic!One of the main characters in Savita Bhabhi is Savita herself. She works at a college library, but her big dream in life is to become a super model. Unfortunately, she's very short. Her dream is to someday grace the cover of an international fashion magazine so she can finally get out of her rut.The next character along for the ride is Savita's cousin, Anu. Anu is very outgoing and loves boys. She's not afraid to express her opinions or flirt with boys (which always leads to trouble). Another important character in Savita Bhabhi is Piyu (or Piya), who doesn't take anything seriously in life and likes to lead an exciting one!To round off the cast of characters, we have Shashi, Savita's husband. He's very doting on Savita, but he doesn't have much to say. It's mostly all about her.The funny thing is this comic isn't all about the main characters. There are also tons of background characters that pop up! You can find them in various situations. For example, one big character in Savita Bhabhi is Pyarelal, a neighbor of Savita and Shashi's. He has several comic adventures (and misfortunes) of his own! So there you have it — a quick "who's who" in the comic. Keep reading to learn more about the story and the details behind this popular Indian adult comic!This adult comic is based on a girl with an active and overactive imagination and stars her alter ego, Savita (her real name is Indumati).One day, while at work, Savita accidentally drinks water from a bottle that was meant for cleaning the floors.
